2006 Azera

HYUNDAI

History of the Azera

Most automakers have a flagship model that represents their best efforts in style, sophistication, safety and performance. Hyundai is in a unique position as their existing flagship sedan, the XG350, is stepping aside to let an all-new sedan take the lead—the elegant 2006 Hyundai Azera.

From the first glimpse of Azera, it's clear that this is an extraordinary sedan. The graceful lines are aerodynamically efficient, reducing wind noise while still ensuring a spacious cabin. The dramatic roofline and rear quarter set Azera apart from other sedans in this class. All together, it's a well-balanced design that pays homage to the other Hyundai models in the lineup while also forging new ground.

Azera's well-designed exterior matched with the ergonomic and feature-rich interior really capture the essence of the new generation of Hyundai vehicles.

On the road, Azera delivers spirited performance, thanks to an all-new, all-aluminum 3.8-liter V6 engine under the hood that delivers 263 horsepower, more standard horsepower than the Mercedes-Benz S350. This engine is also environmentally friendly, as it achieved Ultra-Low Emission Vehicle (ULEV) certification levels. This high-tech V6 comes teamed with a 5-speed automatic transmission with SHIFTRONIC® manual control. Its road manners are well-honed, with responsive 4-wheel independent suspension featuring double-wishbone front suspension and multi-link rear suspension, all riding on alloy wheels.

Moving to the interior, Azera is the most luxurious Hyundai to ever grace the highway. The interior appointments rival the finest premium brands and it offers amenities befitting a flagship model, such as dual-zone climate control; an electronic tilt and telescopic steering column; an integrated memory system for the driver's seat; outside mirrors and steering column; a power rear sunshade; rain-sensing windshield wipers and sumptuous leather seating surfaces.

Azera also rewards the driver with an available Infinity® audio system featuring a 7-channel, 315-watt digital amplifier, 10 speakers (including a subwoofer), speed-sensitive volume, steering wheel-mounted audio controls and an in-dash 6-disc CD auto-changer.

To further enhance its luxury appeal, Azera's interior is tastefully appointed with attractive wood-grain trim and distinctive metal accent pieces.

Compared to the 2005 XG350, the all-new Azera is longer and wider, and rides on a wheelbase stretched 1.1 inches larger than the XG350. The interior also benefits from the increased exterior dimensions, as it's larger than its predecessor and has more interior room than the BMW 760i and Mercedes-Benz S-Class.

The 2006 Azera offers buyers the best value in the segment, with a segment-leading list of standard safety features, including Electronic Stability Control (ESC) with Traction Control System (TCS); Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD), front dual active headrests, and a total of eight airbags—advanced dual front airbags, front and rear seat-mounted side-impact airbags and roof-mounted side-curtain airbags for both front and rear outboard seat occupants.

"The XG350 has been an exemplary sedan," said Robert Cosmai, president and CEO of Hyundai Motor America. "And this all-new Azera takes luxury appointments and personal comfort to a whole new level of sophistication. In addition, it continues to offer the roominess and luxury of cars costing much more and delivers on Hyundai's promise of superior value."

2006 Azera

New for 2006

Azera is a high-quality premium sedan with flagship features that enables buyers to satisfy their desire to reward themselves—*making them feel good, not guilty.*

Key Selling Points

The 2006 Azera offers an unprecedented combination of comfort and convenience, safety, power and quality.

Premium comfort and convenience:

- More interior volume than Toyota Avalon, Mercedes-Benz S-Class and BMW 760i
- Memory system: Driver's seat, steering wheel, foot pedals, mirrors
- Electronic tilt and telescopic steering wheel, rain-sensing wipers, power folding side mirrors, and electric rear sunshade

Most standard safety technologies in its class:

- Eight standard airbags
- Standard Electronic Stability Control (ESC) with Traction Control System (TCS) and Anti-lock Braking System (ABS)
- Standard front active headrest restraints

Powerful, and technologically advanced:

- Powerful, clean and efficient all-aluminum 3.8-liter V6:
  - More standard horsepower than Mercedes S350
  - 263-horsepower, 255 lb.-ft. of torque
  - Ultra-Low Emission Vehicle classification (ULEV)

Quality, backed by America's Best Warranty™

Azera's Safety Advantages

Class-Leading Standard Safety Equipment

- Eight standard airbags:
  - Front dual-stage driver and passenger with Occupant Classification System (OCS)
  - Front side-impact airbags
  - Rear side-impact airbags
  - Front and rear side-curtain airbags
- Standard active head restraints
- Standard Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD)
- Standard Electronic Stability Control (ESC) with Traction Control System (TCS)
- 4-wheel disc brakes
- Sonata has standard ESC,[1] TCS, ABS with EBD and 4-wheel disc brakes—an active safety advantage unmatched in the segment.

Azera Has Active and Passive Safety Advantages over the Competition

S = Standard, O = Optional, N/A = Not Available

[1] *NHTSA studies show passenger cars equipped with Electronic Stability Control (ESC) experienced 35% fewer single-vehicle crashes and 30% fewer single-vehicle fatalities. In a similar study conducted by the Insurance Institute for Highway Safety (IIHS), ESC reduced fatal single-vehicle crash risk by about 56%. ESC also reduced the risk of all single-vehicle crashes (fatal and non-fatal) by 41%.*

Azera's Engine Advantages

All-New, Powerful and Efficient Engine

- All-new 263-horsepower all-aluminum 24-valve, DOHC 3.8-liter V6 with Continuously Variable Valve Timing (CVVT) and Variable Intake System (VIS)

Azera's Powertrain Is Competitive with the Segment Leaders

Azera's Value Advantages

Mechanical

- 3.8-liter MPI-DOHC V6, variable intake system

  (More horsepower than Mercedes S350.)
- 5-speed automatic transmission with SHIFTRONIC®
- Electronic Stability Control (ESC) with Traction Control System (TCS) and Anti-lock Braking System (ABS)

Comfort and Convenience

- 60/40 split-folding rear seat
- Front dual fully automatic climate controls with Air Quality System (AQS) and outside temperature display
- Power windows with front auto-up/down
- Power door locks with keyless entry and alarm
- Power driver and passenger seats
- Manual tilt and telescopic steering column
- Leather-wrapped steering wheel and shift knob
- Electrochromic mirror with compass and HomeLink® Steering wheel-mounted audio controls
- Cruise control
- Automatic headlight control

Entertainment

- AM/FM/CD/MP3 audio system

Other

- 16-inch alloy wheels with P225/60HR tires
- Windshield wiper de-icer

  (Wiper de-icer is not available on Toyota Avalon.)
- Chrome-insert body side moldings
- LED taillight
- Full-size spare wheel and tire

  (Full-size spare wheel and tire are not available on Toyota Avalon.)

2006 Azera Specifications and Features—Mechanical	
Engine	**All Azeras**
3.8-Liter V6 Engine—Transversely mounted V6 produces 263 horsepower at 6,000 rpm and 255 lb.-ft. of torque at 4,500 rpm; all-aluminum block and head; double overhead cam with four valves per cylinder and continuously variable valve timing; sequential multi-point fuel injection, variable intake system and Iridium-tipped spark plugs; maintenance-free steel timing chain	S
Transmission and Drive System	**All Azeras**
5-Speed Automatic Transmission—With overdrive, shift lock and SHIFTRONIC® feature that allows driver to select fully automatic mode or manual mode; overdrive 5th gear allows engine to operate at lower rpm to enhance fuel economy, provide quieter operation and minimize wear-and-tear on the engine	S
Gear Ratios	**5-Speed AT**
1st (:1)	3.840
2nd (:1)	2.092
3rd (:1)	1.440
4th (:1)	1.048
5th (:1)	0.728
Reverse (:1)	3.859
Final Drive Ratio (:1)	3.333
Fuel Economy	**All Azeras**
City (mpg)	TBD
Highway (mpg)	TBD
Recommended Fuel	Unleaded regular
Electrical	**All Azeras**
Ignition System—Type	Full-transistor breakerless electronic with dual knock sensors
Starter—Rating (kw)	1.4
Alternator—Rating (amps)	130
Battery—Rating (volt/amp hr.)	12/80
Brakes	
Front—Ventilated Disc (in.)	11.9
Rear—Solid Disc (in.)	11.2
Brake Control—Power-Assisted	S
Anti-Lock Brake System (ABS) with Electronic Brake Force Distribution (EBD)—4-sensor/4-channel design helps the driver maintain vehicle directional stability (steering) during emergency braking situations	S
Electronic Stability Control (ESC) with Traction Control System (TCS)—ESC automatically applies braking force to the inside rear wheel to help correct understeer and the outside front wheel to help correct oversteer; TCS automatically reduces wheelspin under acceleration by reducing the fuel supply and/or applying the brakes	S
Steering	**All Azeras**
Type	Power-assisted, engine-sensing rack-and-pinion
Overall Ratio	16.8:1
Turns—Lock to Lock	3.195
Turning Diameter—Curb to Curb (ft.)	37.4

2006 Azera versus the Competition

To effectively sell, you have to be aware of which vehicles your customers are cross-shopping—that way, you're prepared when they come in asking questions. In the case of Azera, it goes against a wide variety of competitors—everything from popular large import sedans to luxury vehicles like the Toyota Avalon, Mercedes S350 and BMW 760i.

2006 Azera Is Fully Competitive with the Segment Leaders

Primary Competitive Set

TOYOTA AVALON

MERCEDES-BENZ S350

BMW 760i
