SONATA PACKAGING

SE BASE

Mechanical

- 2.4-liter GDI 4-cylinder 6-speed automatic transmission; dual-flow dampers
- Drive Mode Select

Safety

- Vehicle Stability Management: Electronic Stability Control, Traction Control, Anti-lock Braking system (ABS), Tire Pressure Monitoring System
- Impact-reducing front seats
- Front, front seat side, curtain and driver knee airbags

Exterior

- Projector headlights and LED Daytime Running Lights*
- 16-inch alloy wheels
- Rear lip spoiler
- Chrome window surround
- Heated sideview mirrors with driver blind spot mirror
- Solar control glass
- Remote keyless entry and alarm

Interior

- Cloth seating surfaces (Yes Essentials® for beige fabric)
- 6-way manual passenger seat (height-adjustable)*
- 3.5-inch OLED trip computer with custom settings (non-color)
- Tilt-and-telescopic steering wheel with cruise and audio controls
- Air conditioning
- 60/40 split-folding rear seat
- Auto-down/up driver window
- Sunvisor extension
- Emergency Tire Puncture Repair Kit in lieu of spare tire

Multimedia

- AM/FM/SiriusXM/CD/MP3 audio system with 6 speakers
- iPod®/USB and auxiliary input jacks
- Integrated *Bluetooth*® with phonebook transfer

SE POPULAR PACKAGE

(Discontinued late in 2014)

Safety

- Adds Rearview backup camera

Exterior

- Adds automatic headlight control
- Adds temporary spare tire (replaces Emergency Tire Puncture Repair Kit)

Interior

- Adds 10-way power driver seat with lumbar support

Multimedia

- Adds Blue Link® telematics system (Gen 1)
- Adds 5-inch color touchscreen audio

*Sonata first **Segment first

ECO

SONATA PACKAGING

ECO 1.6T

Mechanical

- 1.6-liter Turbo GDI 4-cylinder 7-speed dual-clutch Transmission**; dual-flow dampers
- Drive Mode Select

Safety

- Vehicle Stability Management: Electronic Stability Control, Traction Control, Anti-lock Braking system (ABS), Tire Pressure Monitoring System
- Impact-reducing front seats
- Front, front seat side, curtain and driver knee airbags

Exterior

- Michelin tires (from January 2015)
- Chrome grille and window surround
- Heated sideview mirrors with turn signal indicators and driver blind spot mirror
- Projector headlights with automatic headlight control and LED Daytime Running Lights
- 16-inch alloy wheels
- Rear lip spoiler
- Solar control glass
- Remote keyless entry and alarm

Interior

- 10-way power driver seat with lumbar support
- Instrument cluster hood stitching
- Chrome interior door handles and leatherette interior panel door inserts
- Cloth seating surfaces (Yes Essentials® for beige fabric)
- 6-way manual passenger seat (height-adjustable)*
- 3.5-inch OLED trip computer with custom settings (non-color)
- Tilt-and-telescopic steering wheel with cruise and audio controls
- Air conditioning
- 60/40 split-folding rear seat
- Auto-down/up driver window
- Sunvisor extension
- Emergency Tire Puncture Repair Kit in lieu of spare tire

Multimedia

- 5-inch color touchscreen audio with rearview backup camera
- Blue Link® telematics system (Gen 1)
- Integrated *Bluetooth*® with phonebook transfer
- iPod®/USB and auxiliary input jacks

ECO TECH PACKAGE

Safety

- Adds Blind Spot Detection (BSD) system with Rear Cross-traffic Alert (RCTA)

Exterior adds

- Adds chrome exterior door handles with welcome light
- Adds Hands-free Smart Trunk**
- Adds proximity key entry with push button start

Interior adds

- Adds leather seating surfaces
- Adds leather-wrapped steering wheel and shift knob
- Adds leatherette interior door panel inserts with stitching
- Adds heated front seats
- Adds dual-zone automatic temperature control
- Adds auto-down/up front passenger window
- Adds auto-dimming mirror with HomeLink® and compass

Multimedia adds

- Adds 4.2-inch color LCD Multi-Info Display (MID)
- Adds 8-inch navigation system
- Adds Dimension premium audio with HD Radio™ technology and SiriusXM Travel Link® (3-month free trial)
- Adds Blue Link® telematics system (Gen 2)

*Sonata first **Segment first

SPORT 2.4L

SONATA PACKAGING

SPORT 2.4L

Mechanical

- 2.4-liter GDI 4-cylinder 6-speed automatic transmission; dual-flow dampers
- Drive Mode Select

Safety

- Vehicle Stability Management: Electronic Stability Control, Traction Control, Anti-lock Braking system (ABS), Tire Pressure Monitoring System
- Impact-reducing front seats
- Front, front seat side, curtain and driver knee airbags

Exterior

- 17-inch alloy wheels (Sport design)
- Sport front grille and bumper fascia
- Dual exhaust
- Sport rocker panels with chrome molding
- Heated sideview mirrors with turn signal indicators and driver blind spot mirror
- Projector headlights with automatic headlight control and LED Daytime Running Lights*
- Rear lip spoiler
- Chrome window surround
- Solar control glass
- Remote keyless entry and alarm

Interior

- 3D insert film interior trim
- Heated front seats
- Instrument cluster hood stitching
- Chrome interior door handles and leatherette interior panel door inserts
- Cloth seating surfaces (Yes Essentials® for beige fabric)
- 10-way power driver seat with lumbar support
- 6-way manual passenger seat (height-adjustable)*
- 3.5-inch OLED trip computer with custom settings (non-color)
- Tilt-and-telescopic steering wheel with cruise and audio controls
- Air conditioning
- 60/40 split-folding rear seat
- Auto-down/up driver window
- Sunvisor extension
- Temporary spare tire (replaces Emergency Tire Puncture Repair Kit)

Multimedia

- 5-inch color touchscreen
- AM/FM/SiriusXM/CD/MP3 audio system with 6 speakers with multicasting and rearview camera
- Blue Link® telematics system (Gen 1)
- Integrated *Bluetooth*® with phonebook transfer
- iPod®/USB and auxiliary input jacks

SPORT 2.4L PREMIUM PACKAGE

Safety

- Adds Blind Spot Detection (BSD) system with Rear Cross-traffic Alert (RCTA)

Exterior

- Adds chrome exterior door handles with welcome light*
- Adds Hands-free Smart Trunk**
- Adds proximity key entry with push button start

Interior

- Adds sport seats: leather bolster with cloth inserts
- Adds leather-wrapped steering wheel and shift knob
- Adds dual-zone automatic temperature control
- Adds auto-down/up front passenger window

SPORT 2.4L TECH PACKAGE

(requires Premium Package)

Interior

- Adds auto-dimming mirror with Home-Link® and compass
- Adds electroluminescent gauges with 4.2-inch color LCD display

Multimedia

- Adds 8-inch navigation system
- Adds Dimension® Premium speakers with subwoofer and amplifier
- Adds HD Radio™ technology
- SiriusXM Travel Link® (3-month free trial)
- Adds Blue Link® telematics (Gen 2) (3-month free trial)

ADVANCED TECHNOLOGIES

Ultimate/Limited/2.0T/Premium/ECO Tech packages

AUTOMATIC HIGH BEAM ASSIST

Allows the driver to keep his eyes on the road and let the headlights deliver maximum visibility without accidentally blinding oncoming traffic. When selected, a forward-facing camera detects the headlights of an oncoming vehicle, or the taillights of a vehicle being overtaken, and automatically switches to low beams. High beams return when the road is clear of other vehicles.

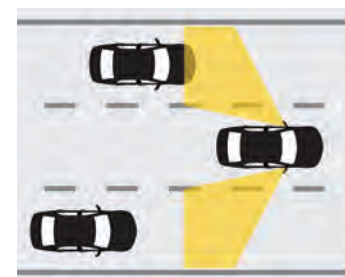

Activation/Operation

To activate Automatic High Beam Assist, place the headlight switch in "Auto" and push the stalk forward, as you would for normal high beam use.

BLIND SPOT DETECTION (BSD) SYSTEM

Helps monitor traffic around the car. The system uses radar sensors in the rear bumper to warn the driver of a vehicle, in the driver's "blind spot." The initial alert is warning lights in the outside mirrors.

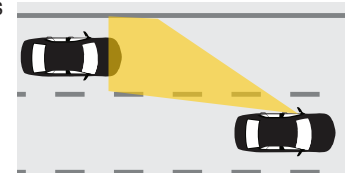

Activation/Operation

The system is turned on with a dash switch to the left of the steering wheel.

LANE CHANGE ASSIST

Increases the blind spot monitoring area to the rear. Alerts the driver to vehicles approaching at high speeds with an audible alert and warning lights in the outside mirrors.

Activation/Operation

(Part of the Blind Spot Detection [BSD] system)

REAR CROSS TRAFFIC ALERT (RCTA)

Alerts the driver to approaching vehicles, when backing out of a parking space, with an audible alert and warning lights in the outside mirrors.

Sensors can detect a moving vehicle as far away as 65 feet. The system will not consistently warn the driver of smaller objects, such as pedestrians or shopping carts.

Activation/Operation

Managed through the gauge-cluster Vehicle Information Center, under Settings. (Part of the Blind Spot Detection [BSD] system)

ADVANCED TECHNOLOGIES

Ultimate/Limited/2.0T/Premium/ECO Tech packages

ELECTRONIC PARKING BRAKE

A convenient, automatic parking brake that includes Automatic Vehicle Hold (below).

Activation/Operation

With your foot on the brake pedal, press the switch to apply the parking brake.

To release the parking brake, press the brake pedal.

Then, either pull the switch or simply shift the transmission out of Park, into gear and then accelerate.

AUTOMATIC VEHICLE HOLD (ELECTRONIC PARKING BRAKE)

When the driver brakes to a stop, the Automatic Vehicle Hold feature keeps the brakes applied until the driver presses on the accelerator again. This feature holds the vehicle on hills or level ground. When the driver pulls away, Automatic Vehicle Hold will release.

Activation/Operation

Press the switch to turn the system on. Press it again to turn it off.

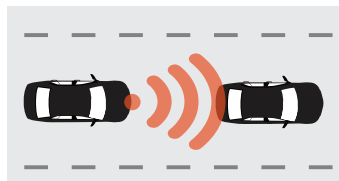

FORWARD COLLISION WARNING

Alerts the driver with an alarm to apply the brakes when rapidly approaching a slower moving, braking or stopped vehicle ahead.

Activation/Operation

Managed through the gauge-cluster Vehicle Information Center, under Settings.

INTEGRATED MEMORY SYSTEM: DRIVER SEAT AND OUTSIDE MIRROR

A two-driver memory system for the driver seat and outside mirror settings.

Activation/Operation

To memorize the current settings, the vehicle must be running. Press the SET button until the system beeps once. Then, within 5 seconds, press the desired driver button until the system beeps twice.

To switch between memorized driver 1 and 2 settings, press the button, and the seat and outside mirrors will automatically change positions.

LANE DEPARTURE WARNING

Uses the forward camera to recognize lane markers. If the system detects that the vehicle is headed outside the markers, a warning light on the instrument panel flashes and an audible sound also alerts the driver.

Activation/Operation

Turn Lane Departure Warning on with the dash switch to the left of the steering wheel.

REAR PARKING ASSISTANCE SYSTEM

Uses sonar sensors in the rear bumper to sense objects near the rear bumper. Activates when the transmission is in Reverse.

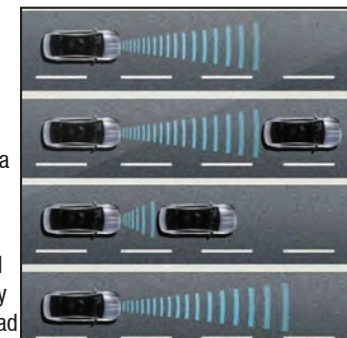

On-screen guides show objects within approximately 6 feet, 4 feet and 1 foot. At 6 feet, the system sounds warning beeps. The beeps get faster as the vehicle approaches the object. If the object is less than 1 foot away, the warning tone sounds continuously.

Activation/Operation

The system is automatic while in Reverse. There is a button on the center console to turn off the system.

SMART CRUISE CONTROL WITH STOP/START

Uses the front radar sensor. The system operates like conventional cruise control on an open road to maintain a set speed. When traffic appears ahead, the system's radar senses the distance to vehicles in front, automatically applies the brakes and gently slows the vehicle to maintain a desired distance between the Sonata and the vehicle ahead.

With the stop/start function, the Sonata will come to a complete stop when Smart Cruise Control is engaged and the vehicle ahead stops. The driver does not need to apply the brakes. The Sonata will then restart if the vehicle ahead starts within 3 seconds. Past 3 seconds, the Sonata can resume speed by tapping the accelerator pedal or pressing the Resume button.

Activation/Operation

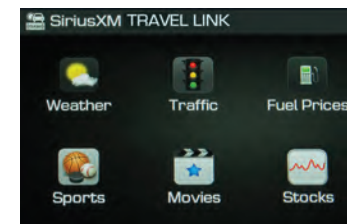

To use Smart Cruise Control, press the ON/OFF button on the steering wheel to turn cruise control on. To switch between Smart Cruise Control and conventional cruise control, press and hold the Smart Cruise Control button until the "CC Mode" message appears in the Multi Information Display (MID). To return to Smart Cruise Control operation, press and hold the button again until the "SCC Mode" message appears.

The system defaults to Distance 4, indicated by the four blue lines between vehicles in the gauge cluster. Press the switch until your desired choice is displayed. For example, if you drive 55 mph, Distance 4 is approximately 170 feet, Distance 3 is approximately 130 feet, Distance 2 is approximately 100 feet, and Distance 1 is approximately 80 feet.

SIRIUSXM TRAVEL LINK®

Travel Link® (3-month free trial) adds unique, additional capabilities and features to SiriusXM. Includes:

- XM Traffic, Sports, Weather, Stocks, Fuel Prices and Movies
- Smart Favorites: Buffers multiple favorite channels (up to six presets).
- TuneStart: Automatically plays from song start when tuning to a preset channel.
- Featured Favorites: Convenient additional preset stores broadcasts by SiriusXM.
- Additional multicultural channels
- Recording feature for SiriusXM Radio presets 1-6

Activation/Operation

Personal selections and information displays are managed under the INFO menu.

COMPETITIVE COMPARISON

2015 SONATA SE HIGHLIGHTS

- All-new design for 2015 model year
- Evolution of fluidic sculpture styling, with standard rear spoiler
- Driver-oriented, more luxurious interior
- SE trim level replaces GLS; Limited trim level still offered
- 2.4-liter GDI 4-cylinder engine enhanced to improve practical performance
- 6-speed SHIFTRONIC® automatic transmission with Drive Mode Select
- Body structure features increased use of high-tensile-strength steel
- Refined suspension to improve response, handling and stability

vs. Toyota Camry LE, Sonata has

- More horsepower (185 horsepower vs. 178)
- More torque (178 lb.-ft. vs. 170)
- Speed-sensitive variable intermittent wipers vs. not speed-sensitive
- Alloy wheels standard vs. steel wheels on Camry LE
- Blue Link® telematics system optional vs. not available
- More front leg room (45.5 inches vs. 41.6)
- Standard rear lip spoiler vs. available

vs. Honda Accord LX, Sonata has

- 6-speed SHIFTRONIC® automatic transmission standard vs. optional CVT
- Blue Link® telematics system optional vs. not available
- Height adjustable passenger seat vs. not available
- Power driver seat optional vs. not available
- 60/40 split-folding rear seatbacks standard vs. not available
- More front leg room (45.5 inches vs. 42.5)
- Alloy wheels standard vs. steel wheels

vs. Nissan Altima 2.5 S, Sonata has

- More horsepower (185 horsepower vs. 182)
- 6-speed SHIFTRONIC® automatic transmission standard vs. Xtronic CVT
- Alloy wheels standard vs. steel wheels on Altima 2.5 S
- Blue Link® telematics system optional vs. not available
- Standard USB input jack vs. optional
- More cargo volume (16.3 cubic feet vs. 15.4)
- Standard LED Daytime Running Lights vs. not available

vs. Ford Fusion S, Sonata has

- More horsepower (185 horsepower vs. 175)
- More torque (178 lb.-ft. vs. 175)
- Standard rear lip spoiler vs. not available
- USB input jack standard vs. optional
- More front leg room (45.5 inches vs. 44.3)
- Larger passenger volume (106.1 cubic feet vs. 102.8)
- Standard heated sideview mirrors vs. not available

vs. Chevrolet Malibu 1LT, Sonata has

- 6-speed SHIFTRONIC® automatic transmission vs. no sequential shifting
- Speed-sensitive variable intermittent wipers vs. not speed-sensitive
- Standard rear lip spoiler vs. available
- Standard driver blind spot mirror vs. not available
- More front and rear head room (40.4/38.0 inches vs. 39.0/37.5)
- More front leg room (45.5 inches vs. 42.1)
- Height adjustable passenger seat vs. not available

2015 SONATA 2.0T SPORT HIGHLIGHTS

- Mechanical: 2.0-liter twin-scroll turbocharged engine, sport-tuned suspension and steering, firmer suspension bushings, strut tower bar, larger front brake rotors; 245 horsepower, 260 lb.-ft. of torque; automatic transmission with paddle shifters
- Exterior: HID headlights, 18-inch alloy wheels, rocker panel extensions, LED rear taillights, quad exhaust outlets and rear diffuser
- Interior: Sport leather seat trim with contrast stitching, instrument cluster with mechanical gauges, D-cut steering wheel, aluminum pedals, carbon fiber appearance interior trim

vs. Toyota Camry V6, Sonata has

- More torque (260 lb.-ft. vs. 248)
- HID Xenon headlights standard vs. not available
- LED taillights vs. not available
- Leather seating surfaces standard vs. leatherette
- Blind Spot Detection (BSD) System standard vs. available
- More passenger volume (106.1 cu. ft. vs. 101.3)
- Hands-free Smart Trunk standard vs. not available
- Better EPA mpg city/combined/highway fuel economy (23/26/32 vs. 21/25/31)

vs. Honda Accord EX-L V6, Sonata has

- 7 standard airbags vs. 6
- More torque (260 lb.-ft. vs. 252)
- 18-inch alloy wheels vs. 17
- HID Xenon headlights standard vs. not available
- Hands-free Smart Trunk standard vs. not available
- More front and rear head room (40.4/38.0 inches vs. 37.6/37.0)
- More front leg room (45.5 inches vs. 42.5)
- More cargo volume (16.3 cubic feet vs. 15.5)

vs. Nissan Altima 3.5 L, Sonata has

- 6-speed SHIFTRONIC® automatic transmission standard vs. Xtronic CVT
- 7 standard airbags vs. 6
- Quad tip exhaust vs. dual
- Rear Cross Traffic Alert (RCTA) vs. not available
- Drive Mode Select vs. not available
- Hands-free Smart Trunk standard vs. not available
- More front and rear head room (40.4/38.0 inches vs. 39.1/37.1)
- Better EPA mpg city fuel economy (23 vs. 22)

vs. Ford Fusion Titanium, Sonata has

- Lower MSRP (\$28,575 vs. \$30,600)
- More horsepower (245 horsepower vs. 231 with regular, 240 with premium)
- Quad tip exhaust vs. dual
- HID Xenon headlights standard vs. not available
- Hands-free Smart Trunk standard vs. not available
- More front and rear head room (40.4/38.0 inches vs. 39.2/37.8)
- Larger passenger volume (106.1 cubic feet vs. 102.8)
- More cargo volume (16.3 cubic feet vs. 16.0)

vs. Chevrolet Malibu 3LT, Sonata has

- LED brake lights vs. not available
- Drive Mode Select vs. not available
- Rearview camera standard vs. optional
- HID Xenon headlights standard vs. not available
- Hands-free Smart Trunk standard vs. not available
- Blind Spot Detection (BSD) System vs. available
- More front leg room (45.5 inches vs. 42.1)
- Better EPA mpg city/combined/highway fuel economy (23/26/32 vs. 21/24/30)
